

Connect Platform 24.2.21

This document describes the issues included in the CONNECT software release.

Enhancements

Enhancements include new features and modifications for the following issues:

<i>Application</i>	<i>Category</i>	<i>Issue</i>	<i>Description</i>
Back Office	Charge Batches	12871, 17793	Modified functionality on the Case / Procedures & Provider Time / Add Procedure window to display the <i>CPT with Modifiers</i> before the <i>Parent CPT</i> code when typing and the cursor jumps to the entered procedure code in the Code drop down field list.
		17489	Added Rank field to the Charge Batches / Eligibility tab.
	Code Mappings	16504	Added new free text filter fields: <ul style="list-style-type: none"> • CPT Code and ASA Code to upper tables • CPT/ASA Code to lower table
		17568	Updated the exporting logic on the Admin / Code Mappings page to only allow exporting of non-system codes.
	Code Updates	17886, 18038, 18039	Added 2024 Q3 code updates: <ul style="list-style-type: none"> • CCI Edits • Diagnosis Codes • HCPCS
	Coding Form	16043	Removed the Referring Physician free text fields, as it duplicated the information in the Referring Physician drop down field.
	Payment Batches	17114	Added the ability to view denial reasons via the Add Denial Code window in View Only format for a posted payment batch. Accessible by clicking the Reason field of the Distribution page of a posted payment.

Fixes

Fixes include corrections for the following issues:

<i>Application</i>	<i>Category</i>	<i>Issue</i>	<i>Description</i>
Back Office	Facilities	17869	Modified logic to allow users with <i>Facilities: View Only</i> permission to navigate to the Admin/Facilities page and select/open a facility to view information.
	Practices	18062	Modified logic to only allow users with <i>Practices: View Only</i> permission to only see the affiliated practice(s) listed in their Associated Practices list on the Admin/Account Status and Admin/Custom Fields pages.
	Reports	18007	Modified logic to ensure non-admin users are unable to access historic reports that may have details of unaffiliated practices.
